

# The Cleaford Christian Trust

...caring about Romania...

Registered Charity Number 1039861

Annual Report and Accounts  
to  
30th June, 2014

## The Trust's Aims and Objectives

The main aim of the Trust is to support Christian ministry in Romania. The chief points of contact are the Hungarian Baptist Churches in Brasov and Mures county, the Harghita Christian Camp, and the FAST charity in the Brasov area.

A subsidiary aim is to provide assistance to the Brasov Children's Hospital.

In the U.K. the objective of the Trust is to provide an effective channel for churches, schools and individual supporters to assist Christian work in Romania.

## Our Policies

We pray for God's guidance in all the decision making that is necessary. Major decisions are made at Trustees' meetings, and other items are discussed via email.

Unless answering a specific request from Romania, we only send items that we are offered after checking that they will be useful. We only send items that are 'in date', we comply with Romanian regulations, and we do not allow aid items to be sold in Romania. We have no wish to hinder the fragile growth of the Romanian economy, so where practical we provide cash for local purchase of items and labour.

We do not support projects where progress cannot be monitored satisfactorily.

New trustees are invited and appointed by the whole body of existing Trustees.

## Trustees

There were two Trustees' business meetings during the year. At each meeting reports were received on the financial situation and on progress with projects in Romania. At each meeting Trustees review the budget for the rolling next 12 months.

Detailed reports of each of the two visits to Romania that took place during the year were discussed. Most Trustees made at least one visit to Romania during the year, and took the opportunity to invite other supporters to view projects.

Trustees considered a range of requests for assistance and made appropriate allocations of funds.

The Trustees reviewed the Risk Assessment and concluded that satisfactory measures are taken to limit risks.

The Trust's commitments in relation to its income were studied, and it was considered that all current commitments could be met from current levels of income, with a reasonable reserve.

The split of expenditure between 'secular' (e.g. medical aid) and 'spiritual' (e.g. church planting) projects was kept under review. The existing division of approximately 25/75 should be maintained.

The Trust meets the 'public benefit' requirements of charity registration, as there are no restrictions on whom may join the supported churches or be treated at the Children's Hospital.

## Achievements

**H**elp for the Brasov Children's Hospital was mainly shipments of antibiotics, asthma supplies and liquid feeds. Following the collapse of state funding for hospitals in Romania it has become clear that the Trust's contribution now accounts for 33% of the hospital's medicine needs.

General aid items shipped included: new clothes, craft and stationery items, (mainly for Christian Camps and Sunday Schools), toys (new & second-hand) for the Hospital and kindergartens.

Christian ministry in Mures County has continued to receive support, mainly by payment of pastors' allowances. The Trust gave significant financial help to the Harghita Christian Camp.

Trust supporters continue to give supplements to their pension to a number of poor widows and some families.

The relationship with the locally registered FAST charity, working with deprived people in the Brasov area, continued. FAST UK is now established as a registered UK charity, thus freeing the Trust from its role as UK liaison for FAST, although some donations destined for FAST UK are still received by the Trust.

## Key features from the Accounts

- Income was substantially increased, mainly via additional donations towards the Harghita Christian Camp, and use of the new HMRC Gift Aid claims system.
- Income from sales of DVDs that we

have produced for schools continues to be useful.

- Administration costs (shown in the accounts as 'Governance') were 3.5% of income. This will increase slightly in future as Cleaford Services Ltd is no longer able to cover postage and printing costs.

## The Year Ahead

**T**rustees and supporters will be visiting Romania to review our projects and to encourage those doing the work. More time will be spent at Harghita as we increase our various forms of support for evangelism at the Christian Camp. These visits are also valuable in informing UK churches and other supporters of the continuing needs.

## Thanks to...

**W**e benefited from yet another year of free use of storage and packing space in Crondall, which has been much appreciated.

Countless people have kept up the supply of new clothes, toys, school items and other useful materials. Many will feel that they are only giving in a small way, but they have aggregated into significant and encouraging quantities.

In Kind Direct's arrangement for us to link with the Disney store in Reading has been most successful but unfortunately the store closed in June and no replacement is available.

We thank many churches, fellowships (often including Women's Groups, etc. affiliated to a church) and schools for their support in various ways. It is not possible to list them all.

In addition to financial help, and gifts in kind, we thank those churches that have invited us to preach (and have often made donations to the work).

'School' help often includes parents who make gifts or buy DVDs, or donate goods and harvest and Christmas offerings. We also thank teachers and office staff who administer!

There are too many other individuals and organisations to list, but we acknowledge our dependence on the continuing support of a growing band of friends of the needy people of Romania, young and old alike. Continuity is important, and we acknowledge many who have quietly continued with us over the years.

## RIAC

**T**he Trust, as part of its ministry to the needy of Romania, provides a substitute service in place of the old Southampton Romania Information Centre, under the title of Romania Information At Cleaford (RIAC). Our Directory of groups working in Romania, which is on the Internet at [www.riac.org.uk](http://www.riac.org.uk), is widely used. The idea has been picked up in Brasov, where there is a similar network, known as CAN.

## How you can help...

**T**he Trustees welcome **prayer support**. Decisions have to be made regarding requests received from Romania, and we need to know God's will in each case. We also need wisdom, and imagination, when considering the best approach to follow when seeking to meet a request.

Please **pray for our partners** in Romania, including:

As senior pastors retire younger men, usually with young families, are taking responsibility for groups of churches. We should pray for wisdom and energy, and for good time management to protect against 'burn-out'.

**Pray for** the management and staff at the Brasov Children's Hospital, as they continue to work under budget pressures and uncertainty, and are discouraged by the lack of local support. They continue to need the courage to stand against corruption and to staff the hospital where wages are very poor.

**Pray for** Daniel and Ema Hristea and their team at FAST. Working in the very poor communities calls for wisdom, courage, discernment and much energy. They need particular wisdom in dealing with local politics and corruption pressures.

**Pray for** the ministry at Harghita Christian Camp, where many children, young people, disabled and adults hear the gospel every summer.

The Trust is always in need of **cash gifts**, either for grants to our Romanian partners, or for the purchase of items not otherwise available.

Please think whether you can arrange a **fund-raising event** in aid of the Trust's work. We have supporters who have planned concerts for us, send us money from friends parking their caravan on their land or from their hens laying eggs! Perhaps there are other ideas. We are always keen to supply photo displays, videos and speakers for events in aid of the Trust.

Please **pray** for Trustees as they preach, lead school assemblies, and speak to a range of different groups. We seek to glorify God, tell the gospel with a smile, and raise awareness of how the gospel can be put into practice in service to the needy.

We welcome **invitations** to schools and churches, to preach or lead, particularly All-age worship services.

Please consider whether you could **invite a Trust speaker** to your group.

Do you have connections with a **school** that could use our DVD scheme?

We are grateful for supporters who keep up a regular stream of small gifts of **pencils, felt tips, paint brushes and the like**. We are now aiming to provide these and other craft materials for about 250 children in hospital, over 400 children in Sunday Schools and over 600 attending summer camps!

Each year the Hospital has 200/250 children there at Christmas, many of whom would not get a present unless it comes from us. We send suitable **toys, games, etc** through the year. If you would like to help in this way please observe the following -

- Do not wrap them
- No toys that require batteries
- Games and puzzles need to be complete
- Colouring books, etc should not be part used
- None of the ghoulish figures that seem fashionable in UK at present
- Soft toys, etc need to be clean

We have also had a special request from the hospital for Christmas decorations to brighten up the building, and for baby

clothes, such as rompers, that are not knitted.

## Misappropriation of Funds

The sum of £13,000 which was returned to the Trust as it had not been distributed to widows and families in the Brasov area, is now being used for the purpose for which it was intended.

During the year on which we are reporting Trustees had several meetings with the Executive of the Hungarian Baptist Churches.

The Partnership Agreement which we had with the Executive proved to be unsatisfactory in implementation. Consequently the Trust has now formally disassociated itself from the Executive and is now passing support directly to recipients. The principle of requiring aid requests to be formulated by more than one person is still in place. Receipts and financial records are inspected by Trustees during their visits.

To avoid the complications of 'salaries', any support for ministers is in the form of an allowance (for rent, travel, etc), and such payments are made directly to the individual, with a notification sent to the Executive.

We still have a formal Partnership Agreement with the Harghita Christian Camp, whose records are inspected during Trustees' visits.

## Report of the Trustees

The Trustees submit their report on the accounts of the Trust for the year ended 30th June 2014.

### Principal activities

1. The Trust was created by Deed on 6th July 1994 and is exclusively for charitable purposes
2. There has been no change in the constitution of the Trust since its creation, and it is registered as a charity in accordance with the Charities Act 2011
3. Trustees serving throughout the year were A.R. Cleaver, P.J. Dunford, , P.M. Guy, R.E. Guy, A.P. Henderson, L.M. Barnardo, S.M. Cleaver, and Rev'd D.C. Stickland. Rev'd D Pritchard resigned in August 2013 and L.J. Dunford RGN resigned in October 2013
4. The Trustees in respect of the year to 30th June 2014 have distributed in grants and donations a total of £56,582 (2013—£32,316) in furtherance of the Trust's objectives.

### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the Trustees to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the Fund's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements the Trustees are required to:

select suitable accounting policies and then apply them consistently;

observe the methods and principles in the Charities SORP;

make judgements and estimates that are reasonable and prudent;

prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Fund and which enable them to ascertain the financial position of the Fund and to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Fund and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees review the charity's commitments in relation to its income, with the intention that all current commitments can be met from current levels of income. They also make an annual review

of risks to which they believe the charity is exposed.

New trustees are invited and appointed by the whole body of existing Trustees.

The Trustees carry out an annual Risk Review, in the light of which reserves are also reviewed, and are intended to provide for at least 6 months' commitments following a catastrophic loss of regular income. During this period efforts would be made to replace the lost income.

The Trustees review the charity's finances at each meeting, and concluded that the position at the end of the financial year was satisfactory, and exceeded their longer term forecasts.

FAST UK is a registered charity. It was the intention of the trustees of both charities that from 1st July 2011 income for FAST from UK supporters should no longer be handled by the Trust, however some donors have not transferred their standing orders to FAST UK during the current year.

A Partnership Agreement between the Trust and the Harghita Christian Camp has been signed, which defines the methods of working between the two parties. Separate Agreements are being put in place with other associates in Romania.

# Independent Examiner's Report to the Trustees of The Cleaford Christian Trust

I report on the accounts of The Cleaford Christian Trust for the year ended 30 June 2014, which are set out on pages 9 to 15.

## Respective responsibilities of trustees and examiner

The charity's Trustees are responsible for the preparation of the accounts. The charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commissioner under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

## Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioner. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

## Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements:
  - (a) to keep accounting records in accordance with section 130 of the 2011 Act; and
  - (b) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The majority of this support is now being given directly to FAST UK, and this fund now represents those donors who have not yet transferred their giving to FAST UK.

Some donations are designated specifically for the use of the Romanian registered FAST Foundation, with whom we work in the Brasov area, and are held in the FAST General Fund. The majority of this support is now being given directly to FAST UK, and these funds now represent those donors who have not yet transferred their giving to FAST UK.

The Building Projects fund represents donations designated for the purchase, construction or alteration of buildings to be used by churches in Mures county.

Following the death of Abigail Cleaver a fund was established for a memorial church building in Peris, Romania. Expenditure against this fund is included in Building Projects.

The Personal Support Fund is for occasions when individual supporters wish to help specific people in Romania, without calling on the Trust's general funds.
